Our broker's name is Michael O. Healy.
His office phone number is 626-204-2120

(2) If your shares are held by your brokerage company, you need only notify your broker, in writing, to transfer the number of shares you desire to:

FBO San Marino Community Church
Account #31107798

(3) If your shares are held by you, in your own name, you have several options:

- (a) Deposit the shares with your broker and follow the step in (2) above.
- (b) Open an account with RBC and deposit your shares to that new account, along with instructions to transfer immediately to the account of SMCC.
- (c) Deliver the shares to RBC along with a letter of authorization to deposit the shares into the SMCC account. You will be asked to endorse the share certificate while at RBC.

You will receive from the church a statement showing the Fair Market Value, usually the average of the high and low quotations for the day you donated the stock. This is the basis for your income tax deduction as a charitable donation.
